Are you

- dreading the yearly decision of how to have an original birthday party?
- not sure how to entertain a large group of active children?
- worried about the weather?
- Not wanting to go to yet another Play Centre where there are a million parties happening at once?
- Not wanting to clean your house before, during AND after the party?

Wouldn't it be great to have all this taken care of for you?

Let EKGA do it! We can give your child an EKGA Awesome Birthday Party!

Who can have a birthday party at EKGA?

Boys and girls turning 2-11 can have their birthday party at EKGA

You do not have to be an EKGA member or have any gymnastics experience

How do we do it?

Our Awesome Birthday parties are 1 1/2 hours of pure fun for kids and a whole day of pure relief for parents!

We start with an introduction game to get the kids warmed up and ready! Then after introductions and safety rules, the kids blast through our obstacle course of bars, rings, tunnels, ropes, beams and more. Our EKGA Awesome coaches run the games and fully supervise the fun! After 60 minutes in the gym is there is 30 minutes in the party room to recharge with some party food and birthday cake before before heading home to tell everyone you all about the fun they've had!

We only book one party at a time - it's just you, your guests with exclusive access to the facility. Your child will be the star of the show!

What we provide

- Party food, plates, cups, tablecloths & napkins
- Every kind of fun physical challenge you can imagine: running, jumping, swinging, sliding, tumbling and climbing.
- Our coaches are responsible for entertainment and supervision, ensuring your child and guests have a fun (and safe) day!
- We clean up and you go home to a clean and quiet house.

What you provide

- Birthday cake & candles
- Party bags (optional)
- Any food or drinks for adults (if desired)

That's it.

No, really. That's it.

It's a stress-free piece of cake!

Let us do the hard work for you.
